**/ Financial Year
Diaries - Milligram**

For comparability purposes, the NRF 4-5-4 Calendar restates a 53-week year in the subsequent year (ex. 2017 is restated for comparability to 2018). This is accomplished by pushing each week of the 53-week year back one week, thereby ignoring the first week of the fiscal year (in this example, 2017).

Page

that it begins at the start of a quarter such as April 1 or October 1. A calendar year always begins on January 1.

The federal government uses the fiscal year for their budgets. The budget's fiscal year always starts on October 1 and ends on September 30 of the following year.
