Interdependence as Social Justice. Whether tackling a problem like family discord, organizational dysfunction, or something as insidious as structural racism, the way we see the problem, is the problem. Rather than pointing fingers or feeling discouraged, there is power in interdependence and adopting a shared culpability and responsibility for the issue at hand.

Teachers College professor emeritus Morton Deutsch, one of the world's foremost social psychologists and a pioneer of the fields of conflict resolution, cooperative learning and social justice, has passed away at 97. Deutsch's ideas have been applied to marital conflict, education, industry and labor negotiations and international relations, yet always with an emphasis on human interrelatedness as a basis for finding common cause.
