Effective Mysql Optimizing Sql Statements Oracle Press ...

Effective MySQL: Optimizing SQL Statements by Ronald Bradford. No Nonsense, Readable, Practical, and Compact. I like that this book is small; 150 pages means you can carry it easily. It's also very no nonsense. It does not dig too deeply into theory unless it directly relates to your day-to-day needs.

mysql tuning - Scalable Startups

Ronald is a former employee of the MySQL Inc consulting team (06-08) and Oracle Corporation (96-99). He has currently published 4 books on MySQL, his most recent titles available from Oracle Press include Effective MySQL: Optimizing SQL Statements, Effective MySQL: Backup & Recovery and Effective MySQL: Replication Techniques in Depth.
