Generator Enclosure Parts | Generac Parts | Free Shipping

I'm in the market for a 20-22kw natural gas standby generator and am between the 20kw Kohler unit (all aluminum enclosure being released soon) and a 22kw Generac Guardian generator. Just by sheer weight alone, the Kohler seems to be a heavier duty generator at 80lbs more. It also has hydraulic lifters and takes an additional quart of oil.

Generac vs Kohler 20kw+ Standby Generator | Electrician Talk

Generac and Kohler both provide outstanding home standby generators. Their most popular models are the 20kW – 22kW home standbys. Although these units are similar, there are some differences that set them apart. We know that while you are initially shopping for generators, it can be hard to look passed the price alone, so, we have decided to break down some of the less obvious differences in ...
