## **Industry And Empire The Birth**

This book tracks not only the birth of the industrial revolution, but also the postnatal effects the revolution had on British economics and society over the next two hundred years. Hobsbawm argues that an aggressive governmental policy of war-for-profit that allowed the British to capture large markets and resources in the tropics was the kickstarter for the industrial revolution.

Read Online Download Now . The Industrial Revolution marks the most fundamental transformation of human life in the history of the world. It occurred, inevitably and temporarily, in the form of a capitalist economy and society, and it was also, perhaps, inevitable that it should occur in the form of a single "liberal" world economy, depending for a time on a single leading pioneer country.
