I have been a professional personal trainer for over 15 years, and I opened FitMotion personal training in Temecula in 2005. I take your fitness goals seriously, and I understand that losing weight, gaining strength and improving your fitness can be challenging.

private personal training | FitMotion Personal Training

Cons. I didn't like how we had to try to sell personal training. If you aren't a fitness guru, don't work here. If you don't follow the process your manager gives you when you help out a potential member, you have to role play until you get it 100% right.
