Planetary Assault. From Outscape Wiki. As of Alpha 3 A planetary assault is an attack to conquer a planet from another player. Also see Raid if you are merely attempting to steal some resources. To succeed in a Planetary attack of this kind you will need to defeat any defending troops with troops carried by the specialised Assault Troop Carriers ...

Planetary Assault - Outscape Wiki

The final objective of the assault is the planetary capital, and the battle involves a large number of ground troops with Starfighter cover. Once more, the players are called on to precede the main assault force and knock out several shield generators so that the orbiting naval forces can bombard the capital's military component prior to the assault.

As Planetary Assault Systems, Luke Slater is an innovator of psychedelic mindfuck techno. Across a lengthy catalogue that stretches back into the 90s, the music's bleepy, polyrhythmic loops are as recognizable as they are genre-defining. Plantae is Slater's first release as PAS on Ostgut Ton since Arc Angel (2016) and covers the spectrum of PAS's ...
