Risk Regulation And Administrative Constitutionalism

Fisher's Risk Regulation and Administrative Constitutionalism is a courageous and original monograph. It is the kind of work that will inspire scholars and reward readers for many years to come." —Modern Law Review 72 (5)

Risk Regulation and Administrative Constitutionalism ...

Elizabeth Fisher is well-known for her work on the precautionary principle and risk in the field of technological standard setting. In this book, Fisher considers how administrative decision makers should assess environmental and public health risks (whether or not they are also setting standards for them) in a range of case studies including the Southwood Working Party on BSE in the UK, US risk regulation rulemaking in the 1970s, the precautionary principle in Australia, the STS Agreement ...

(PDF) Risk Regulation and Administrative Constitutionalism ...

Risk Regulation and Administrative Constitutionalism. Over the last decade the regulatory evaluation of environmental and public health risks has been one of the most legally controversial areas of contemporary government activity. As this award-winning work shows, legal disputes over risk evaluation are disputes over administrative constitutionalism in that they are disputes over what role law should play in constituting and limiting the power of administrative risk regulators.

Risk Regulation and Administrative Constitutionalism ...

Professor Elizabeth Fisher (University of Oxford) presents a fresh reading of and engagement with the risk governance and risk regulation literature in Risk Regulation and Administrative Constitutionalism. Her starting point is that too often this literature is concerned with either the democratic decision-making process or the scientific decision-making process that underpin risk regulation.
