The Problem Of Political Authority

The eponymous problem of political authority is the question of what the distinction between these cases might be — on what basis, if any, might we justify this difference in treatment between the behavior we consider ethically justified from individual actors versus the power we accord to the state.

The Problem of Political Authority: An Examination of the ...

The Problem of Political Authority: An Examination of the Right to Coerce and the Duty to Obey is a book by University of Colorado philosophy professor Michael Huemer released in January 2013.

The Problem of Political Authority - Wikipedia

The eponymous problem of political authority is the question of what the distinction between these cases might be — on what basis, if any, might we justify this difference in treatment between the behavior we consider ethically justified from individual actors versus the power we accord to the state.

The Problem of Political Authority: An Examination of the ...

In part one, Huemer argues that political authority is an illusion, that is, that governments do not actually have some special authority to coerce their citizens to do whatever they want them to do, and associated with that, citizens do not actually have any obligation to obey the governments ruling over them.

The Problem of Political Authority: An Examination of the ...

invocation of political authority. Political authority (hereafter, just 'authority') is the hypothesized moral property in virtue of which governments may coerce people in certain ways not permitted to anyone else, and in virtue of which citizens must obey governments

The Problem of Political Authority

The state is often ascribed a special sort of authority, one that obliges citizens to obey its commands and entitles the state to enforce those commands through threats of violence. This book argues that this notion is a moral illusion: no one has ever possessed that sort of authority.

The Problem of Political Authority | SpringerLink

As the title The Problem of Political Authority suggests, a central issue in political philosophy is the nature and justification of the authority of the state.

The Problem of Political Authority: An Examination of the ...

Michael Huemer 's 2013 book " The Problem of Political Authority " sets out to prove a radical conjecture: that no government has legitimate authority, and citizens have no duty to obey it. Considering nearly everyone allows some role for government, Huemer has set himself a tall task.

Review of Michael Huemer's 'The Problem of Political ...

Bryan Caplan praises Michael Huemer's work on the problem of political authority because it avoids the extremes of both rights-based and consequentialist reasoning. Each has notoriously foundered on difficult problems in the past, as is well-known to students of political philosophy.

The Problem of Authority | Cato Unbound

The Problem of Political Authority is his best book yet. Using moral premises you probably already accept, and clear but subtle arguments, Huemer leads you step-by-step to a radical yet compelling conclusion: government as we know it is an unnecessary evil. If you're tired of political books that merely preach to the choir, prepare to be amazed.'
