The Toaster Project Or A

"At once a charming manifesto for the maker movement and a poetic reflection on consumerism's downfall, The Toaster Project is a story of reacquainting ourselves with the origins of our stuff, part Moby-Duck, part The Story of Stuff, part something else made entirely from scratch."

The Toaster Project: Or a Heroic Attempt to Build a Simple ...

To answer these questions, Thwaites set out to construct, from scratch, one of the most commonplace appliances in our kitchens today: a toaster. The Toaster Project takes the reader on Thwaites s journey from dismantling the cheapest toaster he can find in London to researching how to smelt metal in a fifteenth-century treatise. His incisive restrictions all parts of the toaster must be made from scratch and Thwaites had to make the toaster himself made his task difficult, but not impossible.

The Toaster Project : NPR

Mostly Harmless, Douglas Adams, 1992. The book of The Toaster Project has been published! It is available of course from Amazon, or from the publisher, Princeton Architectural Press, or (hopefully) 'from all good bookshops'. A bit more about the Toaster Project is online here (this is getting slightly out of date however), or at thomasthwaites.com ... the project continues to develop!

The Toaster Project

The humility the Toaster Project inspires is fantastic and very much needed. Would you consider working on a “sequel” ...from the consumer perspective? I’d like to work with you on “How to Treat a Toaster: Towards an inter-object Ethics” that addresses transporting, buying, using, storing, disposing and continue the saga of the toaster.

< THOMAS THWAITES > → The Toaster Project

The essential premise behind Thomas Thwaites' The Toaster Project is that in this modern world of ours, we take a lot for granted. Like toasters, for instance. The 20-something Thwaites decided to create a toaster from scratch for a college project. And by "from scratch", I mean going all the way back to the raw materials from the earth.
